## Digital Grade & Diploma Exams

As a response to the continuing COVID situation, Trinity has taken the decision to **suspend all practical face-to-face exam sessions until at least [Tuesday 6 April](#)**.

As an alternative to the practical face-to-face exams, digital grades and diplomas are available based on pre-recorded performances. Where an accompanist is required, pre-recorded backing tracks may be used. The teacher will advise on where to obtain a backing track or provide a track, as appropriate.
