

Ealing Music Hub Champions

Role Profile

An Ealing Music Hub Champion (Champion) is appointed by the Ealing Music Strategy Group (Strategy Group) following recommendation by the head of the Lead Organisation (Ealing Music Service) to support the Music Hub on a voluntary basis. Their primary role is to enhance the profile of the Music Hub, to advocate for a high quality, diverse and inclusive music education for all children and young people in Ealing, and to champion the Music Hub, its various partners and the children and young people in Ealing. It is envisaged that a small number of Champions will be appointed at the sole discretion of the Strategy Group. Champions, usually high-profile individuals, are expected to fall under one or more of the following criteria:

- Excellence in their field
- Known track record of advocacy and/or support for Equality, Equity, Diversity & Inclusion, particularly in the arts
- Support for the protected characteristics as outlined in the Equality Act 2010
- Outstanding track record for public service

There is no significant time required to fulfil the role of Champion, but it is hoped that each Champion will want to get involved in the work of the Music Hub in some way. To this end, each Champion, working with the strategy group, the head of service and staff team, will identify possible areas of focus for their role, supporting with quotes, speeches, blogs, showreels etc. depending on the work of the Music Hub as well as the availability of the Champion to help.

It is hoped that a Champion would agree to hold the position for at least three years but is not expected that they would remain in the role for more than 10 years.

Champions will be added to mailing lists to receive the regular updates on the work of the Music Hub through the half-termly newsletter (Pulse), may be invited to join the Strategy Group meeting or Advisory Committee meeting if their specialism is being discussed, and the head of service will arrange to meet with each Champion at least once a year to provide an update on the work of the Music Hub and to discuss future plans.

A profile of each Champion will be uploaded on to the Music Hub website and their full name will appear on the Music Hub newsletter.

If a Champion is in receipt of monetary reward for services rendered to either the Lead Organisation of the Music Hub or any of its partner organisations, this will be formally recorded in the form of a Declaration of Interest form, in line with all Strategy Group members.

The Music Hub will invite all Champions to various events throughout the year, however, attendance will be entirely discretionary.
